

# Environmental Statement

Tdi Supplies believe that we have a **responsibility** to care for and protect the environment in which we operate. We are fully **committed** to improving environmental performance across all of our business activities, and will **encourage** our business partners and members of the wider community to join us in this effort.

Tdi recognises our key impacts to be in the areas of:

- transport and fleet use
- materials and services procurement
- energy use
- waste generation

We will strive to:

- Adopt the highest environmental standards in all areas of operation, meeting and exceeding all relevant legislative requirements.
- Assess our organisational activities and identify areas where we can minimise impacts and set annual targets and objectives around achieving this improvement.

Such activities will be focused upon:

- Minimising waste through careful and efficient use of all materials, energy and transportation.
- Purchasing sustainable products wherever feasible.
- Training employees in good environmental practice and encourage employee involvement in environmental action.
- Reducing risks from environmental, health or safety hazards for employees and others in the vicinity of our operations.
- Assisting in developing solutions to environmental problems with our clients, local communities and suppliers.
- Publicising our environmental position.
- Continually assessing the environmental impact of all our operations.
